## “Helping Hands” Volunteer Positions

### **Fisher Friend**

Offer family support in many ways such as walking with a resident; giving local directions; picking up needed items at the store; providing transportation; or listening over a cup of coffee.

### **Maintenance**

Performs minor repairs, painting, electrical, plumbing, carpentry, gardening and monthly inspection of the houses; time is flexible to meet the needs of the volunteer as well as the house. **M-F 8am – 4pm.**

### **Office Assistant**

Uses office computer to assist staff as needed to maintain a well organized home-like setting for the families. Along with general office assistance; sometimes there is a need for soliciting items that the house needs by calling businesses and agencies for donations of products. There is also often a need for a volunteer artist or writer to work on documents, brochures, flyers and designing logos for the House. **M-F 8am – 4pm.**

### **Public Relations**

Writes press releases and submits them to local newspapers and club newsletters; takes photographs and keeps them labeled in a photo album. Also helps to recruit new volunteers.

### **Welcome Staff**

Performs a variety of tasks primarily welcoming families and answering the phone. Also help maintain well-stocked, organized, and comfortable home-like atmosphere for the families.

### **Group Activities**

Works as a member of a group or organization on a regular or as needed basis providing meal preparation, yard clean-up, picnics, recreational activities or other projects as needed. Volunteers need to provide their own meals when providing meals to the house. Activities can be worked out in more details with the volunteer coordinator.

**Craft Leaders**

Works as a member of a group or organization on a regular or as needed basis providing instruction to guests in completing crafts. The group will create their own activity and bring supplies as needed to work on projects with guests.

**Volunteer Driver**

Your name and phone number will be added to a list of people willing to transport a resident to the grocery store or airport. When a ride is needed, the resident will call down the list in search of an available driver. This activity may interest you if you live close to the Fisher House and are able to volunteer only occasionally. A waiver will need to be signed.

*Please consider becoming a Helping Hands Volunteer at the Fisher House. These positions will be coordinated with the Fisher House staff. Many of the positions may overlap and a volunteer may do more than one position. Volunteers will be asked to fill out an application for registration and tracking purposes. All interested Fisher House Helping Hand Volunteers must go through volunteer training and orientation through the VA. If you have any questions or would like to volunteer please email the Volunteer Coordinator at [volunteer@denverfisherhouse.org](mailto:volunteer@denverfisherhouse.org).*
